ADVERTORIAL

Cloudy2Clear Announce Which? Trusted Trader Partnership

Consumer champions Which? have now joined the thousands of customers who recognise that Cloudy2Clear Windows really are a business that you can TRUST. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has received the coveted 'Which Trusted Trader' status after going through a rigorous accreditation process entirely focussed on customer service.

Group Managing Director Marcus McGee believes that Which? have endorsed Cloudy2Clear's long standing company policy of delivering the highest standards possible at all times. 'Our service is simple. If your double glazing has misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 25 year guarantee. But it's not just about saving people money, although that obviously helps. Whilst a number of tradespeople perhaps don't focus on customer care as much as they should do, we make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle.

Locally Cloudy2Clear service the Barrow-in-Furness & the Furness Penninsular areas and manager Roger Bonnick agrees that this approach is a major factor in his success. 'The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much a little bit of effort is appreciated as both my customers and, obviously a body as nationally important as Which? now recognise.'

So, if your windows are steamed up, broken or damaged give Roger a call for a free quotation on **0800 61 21 118** and he'll be happy to help!

Every Saturday in December, plus Sunday 11th & 18th, Santa will be in his Grotto at Ulverston Market Hall with stories, sweet treats and presents. There's also a themed treasure hunt and colouring competition.

Mini Santas will be hiding in windows around town on different items of food. Find each one to win a big cash prize. The competition ends on Sunday 18th December when all the food will be collected and donated to a local food bank.
