GOLD & SILVER ROADSHOW

FOR 1 DAY ONLY

MONDAY 23rd MAY from 10.30 to 4.00pm

JEWELLERY AND COIN ROADSHOW

A very lucky couple called at one of our recent roadshow events with a couple of old gold chains and a silver charm bracelet and a bag of old silver British coins. We paid them over £1600.00 just for the coins alone. They turned out to be pre 1947 silver coins that were normal currency a few years ago and are now highly collected. We asked them for their permission to pass on this story to help other people realise what they may be sitting on and they were only too pleased to allow us to let everyone know that they might be sitting on a goldmine and not even know it! Like most people, who can only dream of winning the pools or the lottery, a lot of normal households have a hidden treasure of old gold jewellery, silver jewellery, teapots, trophies, trays and old objects d'art. Why not get a free valuation from our expert at our roadshow at: **THE ABBEY HOUSE HOTEL, ABBEY RD, BARROW-IN-FURNESS LA13 0PA.**

There is no queuing and our expert will give you a one on one appraisal of the value of your treasured possessions in a private area, where there are no prying eyes, watching the process evolve. If you like the valuation our expert will make you the same offer in cash which you can accept or decline at no cost to yourself. The whole process of valuation is free of charge and very private, so you have nothing to lose and a lot to gain.

WHAT DO YOU HAVE WAITING TO BE DISCOVERED

Many people are totally unaware of the value of unusual and old items that they own and are just hidden away in drawers around the house. Dealers are now paying record high prices for old jewellery, gold, silver objects and collectables. Most unusual gold and silver items are no longer fashionable but there are still collectors who we deal with that will pay record high prices for your old gold and silver jewellery, and items. Wristwatches and old fashioned pocket watches can surprise you with their values and you will be amazed by the amount that is currently being offered for such items. Get looking NOW in your old drawers, cupboards, and jewellery boxes.

Look in the attic and the cellar, even old broken or squashed item of jewellery and silver are valuable and worth having appraised at these free roadshows. Bullion Investments & Acquisitions are having such a roadshow at **THE ABBEY HOUSE HOTEL, ABBEY RD, BARROW-IN-FURNESS LA13 0PA.**

They will be offering a free valuation service and they will make you an instant CASH offer to buy your old jewellery, gold and silver or any old silver or coins that you may have.

Things that you should look for and bring to our roadshows are absolutely anything that looks like jewellery, whether it is yellow gold, silver or platinum. Any old British or foreign coins. Any old wrist watches or pocket watches. All chains, bracelets, rings and bangles broken or not and in any condition. If you think it is a diamond ring, bring it along and we will confirm it to be genuine. If you have an old trophy or tankard or any silver coloured items, let us value them for you.

WANTED NOW

Krugerrand, Maples and Sovereigns are urgently wanted for top prices.

COINS & MEDALS URGENTLY WANTED

Old war medals and old Masonic medals can be very valuable. You will be surprised to hear that we have paid THOUSANDS of pounds for certain war medals and even the General Service Medal group is worth bringing especially if you have the original box and letters to accompany them. Also of great interest are old military uniforms, tunics, hats and any army, navy or RAF field gear.

OF PARTICULAR INTEREST

Gold and silver cigarette cases, Vesta Cases, thimbles, Candle sticks, trays and all things silver are needed. Pocket watches in gold and silver and all wristwatches by: Rolex, Cartier, Omega, Longine, IWC are particularly collected.

There are rarely any queues at our events and we can normally attend to every caller within a few minutes. We will give you a free valuation which we back up with a cash offer, there and then. You can accept or decline our offer, so come along and see what we can offer for your old gold or silver jewellery, coins and collectable.

Energy prices are increasing, we are here to help.

Insulate your home now, before it's too late.

As you may have heard in the news, the cost of energy has hit an all-time high, costing roughly three times more than it did a year ago, insulating your home now has never been more prevalent.

With Roofsure's revolutionary state of the art pitched roof insulation, you can now insulate your loft area and help achieve the government's net zero carbon emissions target by 2030.

Why use open cell foam?

- **ENERGY EFFICIENT** Reduces heat loss by up to 58%.
- **INCREASED HEALTH BENEFITS** Improves indoor air quality.
- **ECO FRIENDLY** Contains no harmful or toxic gases.
- **FULLY BREATHABLE** Prevents mould growth.
- **INSULATING** Improves your homes' EPC rating.
- **SOUNDPROOFING** Helps to eliminate noise pollution.
- **SUSTAINABLE** Reduces your homes' carbon footprint.

Cloudy2Clear, A Local Service With A Smile.

Established for over 16 years, Cloudy2Clear windows have become the UK's leading company for domestic glass replacement. Customers are no longer needing to risk their windows by using the dreaded double glazing cowboy down the road, instead, now they can join over 320,000 happy customers and have their glass replaced in an affordable and ethical manner. Remember, a failed glass unit may no longer provide you with the protection you need or be energy efficient. Why not spend a few minutes checking your home to see if you have any failed double glazing? If you act now you can avoid any future costly problems.

When talking to the Manager of Cloudy2Clear windows Roger Bonnick it became clear that these values have been held dear for a number of years. Since starting the business some years ago Cloudy2Clear have remained true to their core values of supporting the local community by providing a service that saves the public money.

The Cloudy2Clear service only requires the glass to be replaced and not the whole window once the unit has failed. Roger commented "Cloudy2Clear were able to assist our community through the last financial crisis in 2008 due to the savings that can be made in using our service. Unfortunately we might be going through something similar again soon and the public can rest assured that we will be there to help again".

For a free quotation please call **0800 61 21 118** or visit **cloudy2clear.co.uk**.
