February, the month of romance and that time when we all get gooey-eyed to make sure that the love of our life gets all the attention and affection that they deserve. Inside this edition we give you lots of ideas, including some gift and beauty suggestions, as well as some great restaurant offers to wine and dine your loved one. And (chaps), make sure you don't leave it til the last minute - as usual.

Finally, if you have already taken that step and are planning to tie the knot, then we have a great wedding feature for you too.

Kind regards, Mark Prada (Editor)

Revive Carpet Cleaning

We also clean upholstery, including leather.

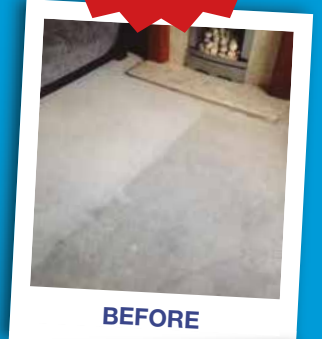
Carpets are the filters for our homes

They trap the dust and other airborne allergens that would otherwise be floating around in the air we breathe.

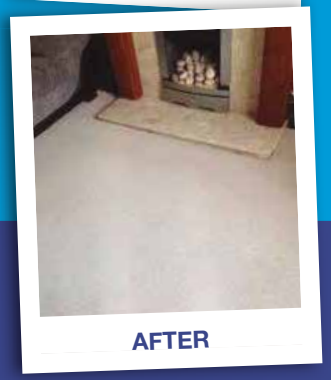
Whilst regular vacuuming of our carpets removes most of these allergens from the surface, over time, some of this stuff gets deep rooted within the pile of the carpet and only a professional deep clean will get rid of it.

For a cleaner and healthier home, make it a point to regularly have your carpets and rugs deep cleaned. While it's a chore to do it yourself, deep cleaning of your carpets is something that should never be neglected.

For best results, you can always seek help from a professional carpet cleaning company like Revive Carpet Cleaning. We make thorough carpet cleaning fast and easy at very reasonable prices. Carpets are usually dry within 30 minutes of cleaning and we move your furniture too.



BEFORE



AFTER

The photos show an example of what we can achieve, the first one was taken part way through the clean to show the difference as the job progressed, the second, the final result. We hope you agree that there is an amazing improvement.

GOLD & SILVER ROADSHOW

JEWELLERY AND COIN ROADSHOW

A very lucky couple called at one of our recent roadshow events with a couple of old gold chains and a silver charm bracelet and a bag of old silver British coins. We paid them over £1600.00 just for the coins alone. They turned out to be pre 1947 silver coins that were normal currency a few years ago and are now highly collected. We asked them for their permission to pass on this story to help other people realise what they may be sitting on and they were only too pleased to allow us to let everyone know that they might be sitting on a goldmine and not even know it! Like most people, who can only dream of winning the pools or the lottery, a lot of normal households have a hidden treasure of old gold jewellery, silver jewellery, teapots, trophies, trays and old objects d'art. Why not get a free valuation from our expert at our roadshow at: **ABBEY HOUSE HOTEL, ABBEY RD, BARROW-IN-FURNESS LA13 0PA**

There is no queuing and our expert will give you a one on one appraisal of the value of your treasured possessions in a private area, where there are no prying eyes, watching the process evolve. If you like the valuation our expert will make you the same offer in cash which you can accept or decline at no cost to yourself. The whole process of valuation is free of charge and very private, so you have nothing to lose and a lot to gain.

WHAT DO YOU HAVE WAITING TO BE DISCOVERED

Many people are totally unaware of the value of unusual and old items that they own and are just hidden away in drawers around the house. Dealers are now paying record high prices for old jewellery and gold and silver objects and collectables. Most unusual gold and silver items are no longer fashionable but there are still collectors who we deal with that will pay record high prices for your old gold and silver jewellery, and items. Wristwatches and old fashioned pocket watches can surprise you with their values and you will be amazed by the amount that is currently being offered for such items. Get looking NOW in your old drawers, cupboards, and jewellery boxes.

Look in the attic and the cellar, even old broken or squashed item of jewellery and silver are valuable and worth having appraised at these free roadshows. Bullion Investments & Acquisitions are having such a roadshow at **ABBEY HOUSE HOTEL, ABBEY RD, BARROW-IN-FURNESS LA13 0PA**
They will be offering a free valuation service and they will make you an instant CASH offer to buy your old jewellery, gold and silver or any old silver or coins that you may have.

Things that you should look for and bring to our roadshows are absolutely anything that looks like jewellery, whether it is yellow gold, silver or platinum. Any old British or foreign coins. Any old wrist watches or pocket watches. All chains, bracelets, rings and bangles broken or not and in any condition. If you think it is a diamond ring, bring it along and we will confirm it to be genuine. If you have an old trophy or tankard or any silver coloured items, let us value them for you.

COINS & MEDALS URGENTLY WANTED
Old war medals and old Masonic medals can be very valuable. You will be surprised to hear that we have paid THOUSANDS of pounds for certain war medals and even the General Service Medal group is worth bringing especially if you have the original box and letters to accompany them. Also of great interest are old military uniforms, tunics, hats and any army, navy or RAF field gear.

WANTED NOW
Krugerrand, Maples and Sovereigns are urgently wanted for top prices.

OF PARTICULAR INTEREST
Gold and silver cigarete cases, Vesta Cases, thimbles, Candle sticks, trays and all things silver are needed. Pocket watches in gold and silver and all wristwatches by: Rolex, Cartier, Omega, Longine, IWC are particularly collected.

There are rarely any queues at our events and we can normally attend to every caller within a few minutes. We will give you a free valuation which we back up with a cash offer, there and then. You can accept or decline our offer, so come along and see what we can offer for your old gold or silver jewellery, coins and collectable.
