Hello and welcome to the April edition of Local Choice.

There is so much going on this month, after what seems a very long Winter, including the bank holidays, lighter nights and warmer weather (hopefully)!

And, whilst we still won't be able to visit many places this Easter, we should be able to enjoy the open air and some contact (however limited) with family and friends.

Remember to stay safe and follow the rules, so that we can all come out of lockdown as soon as possible.

Happy Easter everyone.

Kind regards, Mark Prada (Editor)

GOLD & SILVER ROADSHOW

FOR 2 DAYS ONLY WEDNESDAY & THURSDAY
14th & 15th APRIL from 10.30 to 4.00pm

JEWELLERY AND COIN ROADSHOW

A very lucky couple called at one of our recent roadshow events with a couple of old gold chains and a silver charm bracelet and a bag of old silver British coins. We paid them over £1600.00 just for the coins alone. They turned out to be pre 1947 silver coins that were normal currency a few years ago and are now highly collected. We asked them for their permission to pass on this story to help other people realise what they may be sitting on and they were only too pleased to allow us to let everyone know that they might be sitting on a goldmine and not even know it! Like most people, who can only dream of winning the pools or the lottery, a lot of normal households have a hidden treasure of old gold jewellery, silver jewellery, teapots, trophies, trays and old objects d'art. Why not get a free valuation from our expert at our roadshow at: **CROFTERS HOTEL, A6 CABUS, GARSTANG, PR3 1PH.**

There is no queuing and our expert will give you a one on one appraisal of the value of your treasured possessions in a private area, where there are no prying eyes, watching the process evolve. If you like the valuation our expert will make you the same offer in cash which you can accept or decline at no cost to yourself. The whole process of valuation is free of charge and very private, so you have nothing to lose and a lot to gain.

WHAT DO YOU HAVE WAITING TO BE DISCOVERED

Many people are totally unaware of the value of unusual and old items that they own and are just hidden away in drawers around the house. Dealers are now paying record high prices for old jewellery, gold, silver objects and collectables. Most unusual gold and silver items are no longer fashionable but there are still collectors who we deal with that will pay record high prices for your old gold and silver jewellery, and items. Wristwatches and old fashioned pocket watches can surprise you with their values and you will be amazed by the amount that is currently being offered for such items. Get looking NOW in your old drawers, cupboards, and jewellery boxes.

Look in the attic and the cellar, even old broken or squashed item of jewellery and silver are valuable and worth having appraised at these free roadshows. Bullion Investments & Acquisitions are having such a roadshow at **CROFTERS HOTEL, A6 CABUS, GARSTANG, PR3 1PH.**

They will be offering a free valuation service and they will make you an instant CASH offer to buy your old jewellery, gold and silver or any old silver or coins that you may have.

Things that you should look for and bring to our roadshows are absolutely anything that looks like jewellery, whether it is yellow gold, silver or platinum. Any old British or foreign coins. Any old wrist watches or pocket watches. All chains, bracelets, rings and bangles broken or not and in any condition. If you think it is a diamond ring, bring it along and we will confirm it to be genuine. If you have an old trophy or tankard or any silver coloured items, let us value them for you.

WANTED NOW
Krugerrand, Maples and Sovereigns are urgently wanted for top prices.

COINS & MEDALS URGENTLY WANTED

Old war medals and old Masonic medals can be very valuable. You will be surprised to hear that we have paid THOUSANDS of pounds for certain war medals and even the General Service Medal group is worth bringing especially if you have the original box and letters to accompany them. Also of great interest are old military uniforms, tunics, hats and any army, navy or RAF field gear.

OF PARTICULAR INTEREST

Gold and silver cigarette cases, Vesta Cases, thimbles, Candle sticks, trays and all things silver are needed. Pocket watches in gold and silver and all wristwatches by: Rolex, Cartier, Omega, Longine, IWC are particularly collected.

There are rarely any queues at our events and we can normally attend to every caller within a few minutes. We will give you a free valuation which we back up with a cash offer, there and then. You can accept or decline our offer, so come along and see what we can offer for your old gold or silver jewellery, coins and collectable.

SOFTWASH STEAM CLEANING

ROOF CLEANING

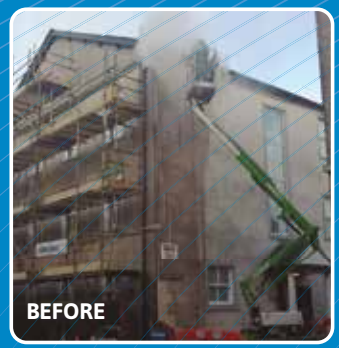
BOOK NOW FOR MAY

Regular maintenance of your roof keeps your roof looking nice but also prolongs its life. Although moss algae don't directly damage the roof tile, they do create quicker degradation to the roof and ridges by absorbing moisture, which can penetrate to the under surface.

Above all, cleaning your roof just looks good & helps your home look well maintained.

RENDER CLEANING

UP TO 8 WEEK WAITING LIST



We can transform tired, dirty dull looking render back to its original appearance. If your walls are showing signs of, red green & black staining, this is due to the accumulation of biofilm colonising on the surface. With the simple process of softwashing, MitieClean can effectively treat and clean areas without the need of repainting, which can cause more damage and maintenance problems further down the line.

Biocides are ineffective during winter so book now for 2021.

Cloudy2Clear, A Local Service With A Smile.

I think we can all agree that seeing the back of 2020 was a welcome event for each and every one of us, and we can now hopefully march into 2021 with renewed positivity and optimism. One thing is for sure though, there have also been some heart warming positives that we can take out of last year. It has often been said that we can only really get to know one another and realise what is truly important in times of crisis. I think few would argue that in this case what has proven to be important is local community spirit.

When talking to the Manager of Cloudy2Clear windows Roger Bonnick it became clear that these values have been held dear for a number of years. Since starting the business some years ago Cloudy2Clear have remained true to their core values of supporting the local community by providing a service that saves the public money.

The Cloudy2Clear service only requires the glass to be replaced and not the whole window once the unit has failed. Roger commented "Cloudy2Clear were able to assist our community through the last financial crisis in 2008 due to the savings that can be made in using our service. Unfortunately we might be going through something similar again soon and the public can rest assured that we will be there to help once again".

If you are unfortunate enough to become a victim of:

A) AN EMERGENCY ROADSIDE BREAKDOWN
or **B) ROAD TRAFFIC ACCIDENT**

ARE YOU AWARE...

...that most insurance companies now **DO NOT** cover you for **accident recovery**, but only breakdown recovery, so by cutting out the slip below and keeping it in your vehicle's windscreen:
